LONG BIO

POP/RNB ARTIST

Marlei is an up and coming pop/r&b artist with a fiery passion for singing and performing. Born and raised in Houston, Texas, the 21 year old artist likes to create music that takes on the form of many personas. Her love for music blossomed at the age of 5 when she started pursuing piano lessons and writing songs for her little brothers. As she grew older, she began to put on shows for her parents with her younger sister, where they would choreograph musical numbers and sing. Her love for performing and music soon translated into her school life once she moved to Plano, Texas. After conducting, performing, dancing and singing for many jazz, pop, and choral performances. Marlei decided to pursue music full time after graduating from high school. She spent two years studying music at Collin College while developing her producing and songwriting skill sets. While attending, she studied jazz, opera as well as acapella music and won many awards in these select areas. She soon transferred over to The University of Miami to study MADE (Musicianship, Artistry, Development and Entrepreneurship) as well as a songwriting minor. She recently released her first debut single “Burn” and is currently getting ready to release her next hip-hop inspired and circus themed single “Wild Card”. Her music is inspired by artists such as Ariana Grande, Madison Beer, Beyoncé, H.E.R, Tinashe, Chloe Bailey and Kim Petras. She enjoys creating music that falls into many different genres like pop, hip-hop, dance, electronic, disco, r&b and even jazz. Marlei plans to soon venture into genres such as Reggaeton, hip-hop, K-pop and maybe even punk-pop in the future. She aims to inspire and empower her fans through her transparent lyrics and unique sound.
